

THE ABC OF CRITICAL CARE IN THE ED

Workshop Director: Dr. Mohammed Moheb, UAE

Wednesday, 12 December 2018 | 08:00 - 17:00

Program Agenda

08:00 - 08:15	Course Introduction
08:15 - 08:45	Lecture: Approach to Shock in the ED
08:45 - 09:15	Lecture: Airway Management
09:15 - 09:45	Lecture: Difficult Vascular Access
09:45 - 10:15	Lecture: neurological approach in ED
10:15 - 10:30	Coffee Break
10:30 - 11:00	Lecture: Mechanical Ventilation Made Easy
11:00 - 11:30	Lecture: Hemodynamic Monitoring for Critically Ill Patient
11:30 - 12:15	Lecture: Inotropes in the ED
12:15 - 12:30	Q&A
12:30 - 13:30	Lunch Break
13:30 - 15:00	Group Hands-on Workshop
15:00 - 15:15	Coffee Break
15:15 - 16:45	Group Hands-on Workshop
16:45 - 17:00	Closing Remarks

Workshop Fee:
USD 150/ person

Organized by:

13:30 - 14:15	Station C Difficult Vascular Access Group 1	Station D Hemodynamic Monitoring Group 2	Station A Airway Management Group 3	Station B Mechanical Ventilation Group 4
14:15 - 15:00	Station B Mechanical Ventilation Group 1	Station C Difficult Vascular Access Group 2	Station D Hemodynamic Monitoring Group 3	Station A Airway Management Group 4
15:00 - 15:15	Coffee Break			
15:15 - 16:00	Station A Airway Management Group 1	Station B Mechanical Ventilation Group 2	Station C Difficult Vascular Access Group 3	Station D Hemodynamic Monitoring Group 4
16:00 - 16:45	Station D Hemodynamic Monitoring Group 1	Station A Airway Management Group 2	Station B Mechanical Ventilation Group 3	Station C Difficult Vascular Access Group 4
16:45 - 17:00	Closing Remarks
