15:10 – 15:30	Coffee Break Prayer
15:30 – 16:30	Jeopardy Review – Drs. Andrew Worster & Jeffrey Thompson

An international team led by McMaster University's Andrew Worster and Peter Kavsak has developed a simple laboratory score that is safer and faster at diagnosing patients who visit the emergency department with heart attack symptoms. The score can also identify patients at risk of subsequent heart issues after discharge.
